**Description of object(s) found**

We are interested to hear about all the objects found including small items such as coins or paper that may be concealed with a larger object or garment.

**1. What type of object(s) have been found and what do they look like?**

*Please describe the colour, materials and the shape of the object(s).*

**2. Where were the object(s) found?**

*Please describe the type of building, its age, approximate location if not at address above, and the location of the find within the building. Any information about previous occupants would also be useful, if known.*

**3. How were the object(s) concealed?**

*Please describe how the object(s) were sealed into the space and how they were wrapped or folded. Were the objects found in 'layers', in what order?*

**4. How and when were the object(s) found?**

*Please describe the circumstances which led to the objects being discovered and the approximate date they were found.*
